2010-11 New Parent Orientation

Brien McMahon High School is fully accredited by the New England Association of Schools and Colleges* and has an impressive history of student accomplishments in academic and extra-curricular fields. *2007 Re-accreditation met high standards.

Brien McMahon High School prides itself in offering a great variety of courses to satisfy the needs of the diverse population of Norwalk.

We are one of the few World Language Departments in Fairfield County to offer a comprehensive program in French, Italian, German, Latin, and Spanish. To accommodate the growing Hispanic population at Brien McMahon High School, we have established two courses:

Spanish I and II for English Speaking Hispanics

Every year, Brien McMahon High School students enrolled in Advanced Placement (AP) have the opportunity to participate in the University of Connecticut Cooperative Program, "Early College Experience" for superior students. Students receive six college credits after successfully completing the course.

Teacher initiatives place great emphasis on strengthening the proficiency levels of listening, speaking, reading and writing. Modern technology and material acquisitions in all languages facilitate high standards of proficiency.
