William R. Papallo, Ph.D.

Interim Superintendent of Schools

September 2009

Dear Parent/Guardian:

By this time most of you are well aware of the seasonal flu virus and the H1N1 flu virus as well. The attached information from Connecticut health officials and from the Centers for Disease Control contains information to help you prevent or reduce the spread of these viruses. The websites for these two agencies are also provided for you so that you can stay current as new thinking about the flu issue arises. The Connecticut website provides information in other languages. Feel free to contact school officials as they will be in contact with you as new developments occur.

Sincerely,

A handwritten signature in cursive script that reads "William R. Papallo".

William R. Papallo, Ph.D.
