Naramake Parent Teacher Organization

February 2, 2010

Naramake Elementary School prides itself on its students, teachers and family. The Naramake PTO strives to provide as many services as possible to bring a world class learning environment to our students.

On April 30, 2010, we will be holding our 6th Annual Silent Auction. Our Silent Auction has been our largest fundraiser and has allowed us to fund programs that enhance the educational experience for our children. In the past, we have provided cultural and academic enrichment programs, as well as playground and technology equipment in our classrooms. *Our Silent Auction helps make that possible.*

In light of the economy, we recognize the tough times people and businesses are having this year. Any donation your business can make will help make a difference to our students. Please consider making any donation you can of an item or service to Naramake Elementary School's 6th Annual Silent Auction. We operate as a Section 501-3C Non Profit and can provide you with a receipt for tax purposes.

Please contact Tina Riordan (203-866-2071) or Lisa Lenskold (203 -299 0095) to arrange pick up of your donation. Alternatively, it can be sent to Naramake Elementary School directly (address above).

We wish you success in your business and thank you in advance for any donation.
